

UK DCMS "Call for views"

Department
for Culture
Media & Sport

The DCMS has called for views on the derogations set out in the GDPR. Views must be received by 10 May.

If you wish to offer your views, the document can be found at:

Isle of Man

The Council of Ministers' "[Delivering the Programme for Government](#)" states that, as part of ensuring "We have more responsive legislation and regulation", that it will "*Ensure the Island's legislative position is equivalent to the EU General Data Protection Regulation ... by May 2018*".

The Chief Minister is the political sponsor.

Article 29 Working Party

WP29 formally adopted the first three guidelines on 5 April 2017. These texts can be found at:

Data portability:

http://ec.europa.eu/newsroom/document.cfm?doc_id=44099

Data protection officers:

http://ec.europa.eu/newsroom/document.cfm?doc_id=44100

Lead supervisory authority:

http://ec.europa.eu/newsroom/document.cfm?doc_id=44102

The next guideline on **Data protection impact assessments** and the concept of **high risk processing** is open for comment until 23 May 2017. This can be found on the [WP29's website](#).

UK Information Commissioner's Office

Your views and feedback are being sought on the concepts of profiling and automated decision making under the GDPR.

This is to help inform the UK's contribution to the WP29 guidelines due to be published later this year.

The deadline for responses is 28 April.

GDPR Conference, Villa Marina, 10 May 2017

The conference date is rapidly approaching and there are now less than 10 spaces available.

If you are attending the conference, joining instructions will be sent out in good time and we look forward to seeing you there.

Please note that due to the increased capacity, seating for a maximum of 200 is available at tables with others accommodated in the seating around the edge of the hall. Seating has not been allocated to delegates and you may choose where you sit, on a first come, first served basis.

Find out more about the conference here: [GDPR Conference](#)
